Memberships continue to come in.

DIRECTORS

The Commemorative Trail will start to be constructed the middle of August 2017. Pictures will be taken as the trail progresses to be shown at the October membership meeting.

OLD BUSINESS

Attendance was up 82% this year at the Wood County Fair. Suggestions for our membership volunteers next year:

1. IF volunteer cannot make it to fair orientation or come to HQ for free entry ticket then mail it to them if time permits.
2. Volunteer should be aware that their time slot may be very busy, could be hot, and they may have to walk if they choose not to use the sheriff pick up.
3. Discussion regarding the possibility of getting the volunteers T-shirts.

The bird seed and bulb sale forms may possibly be available early at the Wood County Fair in 2018.

Park video interviews are set up for:

September 7 at W.W. Knight (9-12)

September 9- Sawyer family is coming

September 15- Cedar Creek (10-1)

September 25- Bradner (10-1)

Anyone with historical knowledge of the above is asked to come.

October 8,2017 will be the Fall Membership meeting along with the opening of the Commemorative Trail. Mike McMasters will be the speaker about carrier pigeons and how people communicated using them.

The giving lists have been worked on by the committee and will possibly be going out in the spring for people to make choices when giving donations.

NEW BUSINESS

The Pemberville fair will be 8/16-8/19.

The newsletter deadline is 8/28/17.

The mailing of the newsletter will be done 9/11 at 9:00 a.m. at H.Q.

Discussion took place regarding having the Bird Seed and Bulb sale in September rather than October. Also for the cost of about \$76 there could be an extra mailing for this sale next year. Mums will be offered this year as a trial.

Meeting adjourned at 4:10 p.m. 1st motion by B. Hale and 2nd by D. Newlove.

Submitted respectfully,

Nancy Wenning
