

The Wandering Geocache is a county-wide competition, challenging geocachers to find the hidden geocache in a different location each week for 5 weeks (April 1<sup>st</sup> – May 5<sup>th</sup>). Inside of the geocache will be a nature-related trivia question or riddle that participants must answer and submit. Those with the most trivia questions answered will be entered into a raffle for a chance at the grand prize or 3 separate SWAG (Stuff We All Get) bags.

## Rule and Guidelines

Coordinates and clues for the Wandering Geocache's hiding place will be posted during normal business hours Sunday or Monday of each week at [wcparks.org/whats-new/](http://wcparks.org/whats-new/). Normal park visiting hours and rules apply. Geocache may be hidden up to 12 feet off trail. Be sure not to disturb wildlife or plant life, and use Leave No Trace and "Cache-In-Trash-Out" practices when geocaching (be a steward, and pack out litter).

Upon the posting of new coordinates and clues, the Wandering Geocache will no longer be at the previous location, including time for retrieval and new placement.

## Entry Method
