

Public Bouldering Program Guidelines

- The use of a bouldering pad and/or a spotter is highly recommended.
- Unsafe practices are grounds for loss of bouldering privileges, or removal from the park.
- Boulders must be 16 years of age or older, or have a parent/guardian supervising all bouldering activities.
- Wood County Park District reserves the right to suspend the Public Bouldering Program at any time. Bouldering walls may also be temporarily closed for scheduled programs, classes, or other Park District use.
- Public bouldering is allowed only in designated areas (please see map), and only during normal park hours.
- Any area of the park may be in use by other members of the general public. All areas operate on a first come, first served basis.
- All bouldering activities are done at your own risk.

Have questions or are curious about bouldering? Contact Public Rappelling & Bouldering Program coordinator Ranger Shawn Ruemmele at sruemmele@wcparks.org, or (419)575-7333.

See something? Say something! Please report any damage, issues, or concerns to the Wood County Park District immediately at (419)353-1897, or contact an on-duty Park Ranger at 1-877-RANGER-AID.
