-------------------------------------------------------------------------------------------------------------------------------------------------------------------------

I have read and understand the 2017-2018 Baldwin Woods Preserve/Cricket Frog Cove hunting program information sheet. I understand that hunting is a potentially dangerous activity that includes certain inherent risks that can lead to serious injury, including death. I agree to obey all of the Wood County Park District rules for hunting and Ohio Hunting Regulations.

In consideration of the use of the Baldwin Woods /Cricket Frog Cove areas for hunting on the property of the Wood County Park District, the undersigned and those under his/her leadership hereby covenant and agree to hold said District harmless from any and all claims of every type, character and description pertaining to or growing out of the usage of said premises, and they further agree that they will use the same in a lawful manner, and that they will make every effort to conduct their business and activity upon said premises in such a manner as to avoid injury or damage to the public property of said District.
