Dear Friends,

It is time for our **Fall Birdseed Sale** fundraiser. We received such wonderful feedback from you during the last two years, we are going to repeat our Mid-Wood connection this year. Once again, John Krukemyer has agreed to have his staff deliver your birdseed orders directly to your car! We hope you appreciate this convenience as much as we do.

Did you know that Ukraine is the second largest sunflower grower in the world? Russia is the largest. Together they produced more than 50% of the world's total sunflowers. Unfortunately, due to the war, shortages are being felt which has increased the prices for those mixtures that contain sunflower seeds. You will see this reflected in this year's prices.

The order form is included in this mailing. Simply complete and return the order form with your check to the Friends of the WC Park District, 18729 Mercer Road, Bowling Green, OH 43402.

The process for our fundraiser this year will be:

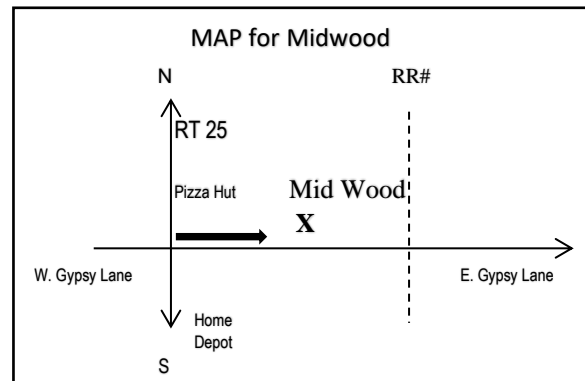

- 1) Submit your prepaid order as before (sent into WC Parks Headquarters) by Sept. 28th.
- 2) Call **567-806-5469** when you arrive in Midwood's parking lot on Oct. 8th.
- 3) The Mid-Wood staff will deliver your order to your car.

We appreciate all of the support you have provided to us in the past. Your generous donations are used to supply much-needed birdseed and replacement birdfeeders throughout the Wood County Parks. If you are not planning to stock your own feeders this winter, please consider ordering birdseed for donation or a general donation that will be used for the feeding areas in our parks.

We hope that you have been able to enjoy the beauty in our Wood County Parks this past year. Your generosity is always appreciated, and we feel fortunate to live within such a supportive community.

Thank you,

Friends of the Wood County Parks
